Subject- Practical exam missing students.

Sir /Madam

Both Institute application was received through WhatsApp on 17/07/2024 & 14/07/2024 without letter number in which you have been requested to conduct practicals for the missed students but the reason was not mentioned as to why the practicals do not touch you. Undisciplined behavior misleads the students against the notice of the faculty. Many students wanted to give practical exam but they refused to give practical exam saying that there will be no practical. So why are you requesting now, this is the first mistake so I am forgiving. You have not paid the faculty fee both institute till date. Please deposit the balance fee till August and release the exam schedule of the missed students as soon as possible. if the faculty fee balance is not deposited, documents like diploma, diploma etc. will not be given until the money is deposited.

Therefore, The Faculty Committee has decided that it will be released between 24 July 2024. Time-10.AM -1.0PM & Time-1.30PM -4.30PM

Thanks
